"Fractured" is the newest novel by author Catherine McKenzie, one of my favourite Canadian writers. In this novel, an accident happens on a quiet street in the middle of the day, and it leads all the residents to accuse each other and point fingers, blaming others and themselves. GeoBlogy: FRACTURE CAPTURE! by Catherine Pennington Fractures and fracture networks are so complex and variable that this is a really tough and massive job, particularly because fracture data haven't been recorded systematically as part of our historic national mapping programme.

Assignment 4: Second Painting; A Fractured Image " Re ... Use any (or a combination) of the media and methods used by the artists discussed above to create an ambitious "fractured" image. Document and reflect on what you've achieved. For this piece I will explore further the process of weaving, taking this to the next stage by using canvas in replacement of card. I will.
